El anexo I de las normas para la aplicación de Directivas de la CEE relativas a la homologación de tipos de vehículos automóviles, remolques y semirremolques, así como de partes y piezas de dichos vehículos, según establece la Orden de este Ministerio de 24 de noviembre de 1989, dispone para los vehículos de cilindrada superior a 2.000 centímetros cúbicos que deberán cumplir las exigencias en materia de emisiones de contaminantes de la Directiva 88/76/CEE a partir de 1 de octubre próximo y también a partir de la expresada fecha para las nuevas matriculaciones.

## 22198 REAL DECRETO 1084/1990, de 31 de agosto, de redistribución de competencias en materia de personal.

El Real Decreto 2169/1984, de 28 de noviembre, de atribución de competencias en materia de personal, establece un reparto de competencias en materia de recursos humanos entre el Ministerio para las Administraciones Públicas y los Departamentos ministeriales que conviene replantear con el propósito de aumentar el protagonismo y responsabilidad de los Departamentos ministeriales en la gestión de personal. Paralelamente es preciso revisar las actuales tareas gestoras de la Dirección General de la Función Pública y enfatizar la realización de aquellas otras que, como órgano promotor de medidas relativas al desarrollo de la política de recursos humanos de la Administración Pública, deben corresponderle.

Este proceso se inició con el Real Decreto 28/1990, de 15 de enero, por el que se aprobó el Reglamento General de Provisión de Puestos de Trabajo y Promoción Profesional de los Funcionarios Civiles de la Administración del Estado, que atribuyó determinadas competencias a los Departamentos ministeriales en materia de personal, sobre las que conocía con anterioridad el Ministerio para las Administraciones Públicas.

Prosiguiendo en esta línea de actuación parece conveniente efectuar una redistribución de competencias, actualmente atribuidas al Ministerio para las Administraciones Públicas, hacia los Departamentos ministeriales, sin perjuicio de la adopción por éstos de criterios de distribución de competencias entre sus órganos superiores y sus Organismos autónomos. Ello lleva consigo derogar, en algunos supuestos, el Real Decreto 2169/1984, de 28 de noviembre, de atribución de competencias en materia de personal, así como cuestiones puntuales del Real Decreto 2223/1984, de 19 de diciembre, por el que se aprueba el Reglamento General de Ingreso del Personal al Servicio de la Administración del Estado, y del Real Decreto 730/1986, de 11 de abril, por el que se aprueba el Reglamento de Situaciones Administrativas de los Funcionarios de la Administración del Estado.

En su virtud, a propuesta del Ministro para las Administraciones Públicas, con informe de la Comisión Superior de Personal, de acuerdo con el Consejo de Estado, y previa deliberación del Consejo de Ministros en su reunión de 31 de agosto de 1990,

### DISPONGO:

Artículo 1.º *Competencias de los Departamentos ministeriales en relación con los funcionarios de los Cuerpos y Escalas adscritos a los*
